

Learn Spanish

Our Learn Spanish option is perfect for those wanting to get to grips with the Spanish language and what better place to learn than the country itself.

You can take Spanish lessons either as a holiday on it's own or as an extension either before or after your walking holiday.

Our one week Learn Spanish holiday includes 10 hours of Spanish lessons.

Spanish lessons

Classes are in a Cervantes Institute accredited Spanish school and courses are available for absolute beginners, intermediate and advanced speakers. There will be ten hours of lessons in the week split into five classes of two hours each. All classes are small groups and concentrate on practical skills in order to get you chatting with the locals as quickly as possible.
